

Hartford Hospital  
Vice President Community and Government  
Hartford, CT

Hartford Hospital, a 819 bed acute care hospital seeks a new Vice President Government and Community. Situated on 65 acres of land in the south end of Hartford, the Hospital has strong roots serving the city and beyond.

As a member of the senior leadership team, the Vice President will play a critical role in strengthening community relationships and developing policy. This is an exciting opportunity for a visionary to play a key strategic and leadership role within the Hospital administration. This person will be responsible for City, State and Federal Government relations.

The Vice President will oversee the Hospital's relationship within the community it serves including maintaining existing relationships in the area of economic development, housing and employment, and developing new community partnerships.

The successful candidate will bring significant experience in community relations and advocacy; a track record in developing relationships; experience working with urban communities; strong interpersonal skills and communication skills. A background and experience in health care, academia and government will be preferred. Masters degree preferred.
